

# Key Dimensions of the St Parents and Friends' Association's Contribution to the School Community

If each family contributes just one thing.....

At St Francis Xavier School, the Parents and Friends' Association see their role as having 7 Key Dimensions that sometimes overlap:

- 1. Social
- 2. Pastoral
- 3. Resourcing
- 4. Financing
- 5. Fundraising
- 6. Environmental
- 7. Education

Our aim is to support the school Principal and staff in providing a high quality inclusive Catholic Education for our children within a nurturing environment. Keeping the "community spirit" alive is important to us. In addition to the 7 dimensions that have been identified, support is given to the school community in terms of volunteering in the Tuckshop (baking and serving), assistance in the Uniform Shop, and help in the classroom. We also have other sub-committees (eg. Fundraising parent community group) that provide an important role in the life of our school. We also have parents in each class who volunteer as Class Representatives-these assist with enlisting volunteers for various activities, informing pastoral committee when assistance is required and promoting events.
