This report outlines a summary of some of our goals for 2013. These goals are linked to Mission and Religious Education, Learning and Teaching, Professional Practice and Collaborative Relationships and Strategic Resourcing.

All school communities have an obligation to undergo a process of renewal. The document *The Strategic Renewal Framework for Catholic Schooling* details collaboratively developed archdiocesan educational priorities and intentions that provide direction to the renewal process at the local school level. All schools in the archdiocese use this framework to inform strategic renewal plans, goal setting, annual review and reporting.

The Annual Strategic Renewal Plan is written in consultation with the entire school community and in particular noting the recommendations from the Internal School Review (ISR) undertaken in 2012.

The 2012-2016 *Strategic Renewal Framework* document can be accessed on the Brisbane Catholic Education website at [www.bne.catholic.edu.au](http://www.bne.catholic.edu.au). (Click on the ABOUT US tab.)
